

1. What was commonly done or practiced in the past related to your topic?
2. How did people approach this activity/idea/trend during the period you have selected?
3. What significant change has happened looking at things now?
4. When and how did a major shift or innovation occur?
5. What had people been doing before a significant change took place?
6. What habits or trends had already developed before new advancements?
7. What practices or traditions had people continued despite new developments?

Period:

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.
