When I was in form 4, I did not know whether I should be in the Science stream or Arts stream. My teacher advised me to be in the Science stream but my parents were against it. Most of the time, I get conflicting advice. What do you do when you get conflicting advice? (0) Is you going to weigh all the pros and cons to come to a decision or are you (1) go to consult a palm reader to get a glimpse of your future and then make a decision out of it? I would like to (2) consulted a palm reader but I am wary whether the prediction is accurate. Most likely he or she will (3) telling me, “There are too many lines on your palms. This indicates that your mind will always (4) being restless and you will definitely (5) has a difficult life.” It is not something I would like to hear. Fast forward to today, I have yet to consult a palm reader. I (6) is going to moisturise my hands more often to diminish those fine lines so I will (7) heard only positive affirmation instead of a negative prediction when I am at the crossroad again. Right now, all (8) they am going to do is just putting lotion on my hands.
