0. What does the poster say you will get at English Station?

- A. Free access to extra resources.
B. Free tips for studying English.
C. Both A and B.

Hi Ben.

How was your vacation? I'm in London now. I'm really enjoying my trip. Yesterday, I visited the London Eye and the view of London was spectacular from the top of the wheel. The English people that I met were very kind and polite. Tell me about your trip.

Write to me soon.

Paul

1. What did Paul do in London yesterday?

- A. He visited Big Ben.
B. He had lovely views of the city from the London Eye.
C. He ate dinner with English people.

< Messages

info

Hi Sue,

I learned some interesting information about life in space for our presentation. Astronauts sleep in bags strapped to walls. They also have to exercise for two hours a day so their bones won't get weak. Have you found out any information?

Don't forget to meet me tomorrow at the library after school.

Daisy

2. Where are Sue and Daisy meeting tomorrow?

- A. At Sue's home.
B. In their classroom.
C. At the library.

MONTHLY GALAXY CONTEST

Questions 6-10

The teenagers below are all looking for a book to read.

Below are descriptions of eight books.

Decide which book would be the most suitable for the following teenagers.

For questions 6-10, mark the correct letter (A-H) on your answer sheet.

6. Julia is very interested in stargazing. She knows a lot about planets and stars. She would like to read a book that can give her more detailed information.

7. Rachel is an independent girl. Although she is just 20, she wants to travel to another country and stay there for at least a year. She intends to live and work there as she explores her new surroundings.

8. Max is good at math and design. He hopes someday he will be a famous architect. He often spends time learning about amazing buildings around the world and seeing how they were built.

9. Daisy wants to be a primary school teacher because she loves Children. She's is also very good at biology and chemistry. Her mom thinks she should be a doctor instead of a teacher. She's not sure what job she should do.

10. Jack loves everything about space and space travel. He wants to be an astronaut after his graduation from university. On weekends, he usually reads books about life in space.

Book

A

Dreamland is a book about following your dreams. The story follows a young teenager moving from his home country to France as he travels and lives a meaningful life in Paris. The book is full of inspirational quotes. It encourages the youth to keep pursuing their dreams at all cost.

B

Lonely Traveller is your passport to the most interesting travel experiences. With this book, you have the best advice on where to visit and how to discover hidden gems. The book also includes a lot of full color maps, images, and tips to help you save time and money when travelling around the world.

C

If you want to explore everything about famous buildings in the world, past and present, this book will definitely satisfy your curious mind. There are lots of nice images, exciting facts, and stories on each page. Open it up and begin your journey now.

D

Mysterious Universe talks about the search for other planets. Learn about what elements are needed in order for life to exist and which planets may have life on them. Are we alone in the universe? Read and then decide.

E

Have you ever dreamed about doing a spacewalk or felt excited when you think about living in space? If yes, *Above the Stars* is written for you. Each page of the book will take you deep into space exploration to show how to survive and think like a real astronaut.

F

Fulfilling Work is worth reading as you are on your job search. This book encourages self-reflection to help you become confident in every single career decision you make. Get ready for an adventure to find out your interests and learn about lots of cool jobs.

G

Lost in the Past paints a vivid picture of women's lives in the past. It will take you back several hundred years and you can see what life was like for women back then.

H

Twinkle Night is a best-selling guide book about stargazing and how to take excellent photos of the stars. It gives you a lot of useful how-to instructions for taking nice astronomical photographs, both with or without a telescope.

Questions 11-15

Read the text and questions below.

For each question, mark the correct letter A, B, C, or D on your answer sheet.

The Eiffel Tower

Ankita Brahma, November 18

The Eiffel Tower is considered one of the most impressive man-made structures in Paris, the City of Lights. The construction was started in 1887 and completed in 1889. It was named after the architect and metals expert, Gustave Eiffel, whose company designed and built the tower. It was mainly made of iron and steel. The tower is an architectural wonder. Every year, the Eiffel Tower attracts and welcomes more visitors than any other paid tourist attraction in the country. It is also an inspiration for similar structures in many different cities around the world. Every seven years, people paint the tower to keep it looking new. About 500 people are working at the tower to make sure that visitors can enjoy the views of the City of Lights in the best way.

11. What did they call Paris?

- A. The City of Angels
- B. The Windy City
- C. The Harbour City
- D. The City of Lights

12. What was the tower mainly made of?

- A. Bricks and paint.
- B. Wood and iron.
- C. Iron and steel.
- D. Steel and paint.

13. How often is the Eiffel Tower repainted?
 A. Every year.
 B. Every six years.
 C. Every seven years.
 D. Every four years.
14. How many people are there working at the tower?
 A. About 100 people.
 B. About 500 people.
 C. About 450 people.
 D. About 300 people.
15. What can visitors see from the Eiffel Tower?
 A. They can see Paris.
 B. They can see the Danube River.
 C. They can see Big Ben.
 D. They can see the French Alps.
