Welcome to My House!

Hi! Let me tell you about my house. It has two floors, and it's a very cozy place to live. On the first floor, there's a kitchen where we cook yummy food. Next to the kitchen, there's a garden with colorful flowers and a big tree. We also have two living rooms. In one living room, there's a comfy sofa and a big TV where we watch cartoons. The other living room is for reading, with a shelf full of books. There's also a garage where we park our car and keep our bicycles.

On the second floor, there are two bedrooms. My bedroom has a soft bed, a desk, and a big window that lets the sunlight in. My parents' bedroom has a big bed and a closet. There's also a bathroom with a tub where I love to splash and play.
