### Questions 5 - 9

Read the text and questions below.

For each question, mark the correct letter A, B, C, or D on your answer sheet.

#### Mom's birthday

Tomorrow is Julie's mother's birthday. She wants to prepare a big surprise for her mom by organizing an amazing party. She knows her mom loves eating pasta more than anything else, so she goes to the grocery store to buy some ingredients to make pasta. She has a budget of \$45. She wants to buy the following ingredients: 2 bags of pasta (\$.90/bag), 400g chicken (\$.85/100g), 500g of tomatoes (\$4.20/kg) and 200g cheese (\$3.80/100g). Julie needs to estimate the cost of all ingredients to make it easier to add up. After estimating, Julie still has enough money to buy all the ingredients. She decides to go to a flower shop to buy a bouquet of red roses for her mom. It costs \$12.40.
