My name is Jane, and I'm twelve years old. In the morning, I wake up early. I always have breakfast with my family, and then I get ready for school. I always walk to school with my friend, Sally. I get home at three o'clock every day. I always do my homework in the afternoon, and then I usually watch TV.

This week is going to be different because there are some special events at school. On Monday, there is a short story competition, and I'm going to take part in it. Every year, the first prize is a camera, but this year it's a tablet! Everyone wants to win it! On Wednesday, my sister, Michelle, is going to take part in Sports Day. She loves sports! I'm not good at sports, but I love cooking, so I'm going to take part in the food festival on Thursday. I'm really excited!
