Dear Karen,

How's your summer break going? Are you studying hard, or are you having fun? I'm visiting my grandmother in Mexico. She lives in Mexico City, but we are in Cancun right now. The hotel is fantastic.

It's usually rainy here in summer, but the weather is great at the moment. It's hot and sunny. I go to the beach every day. And guess what! I'm learning to water ski. Today I'm having my first lesson. It's difficult, but fun. This is a photo of my teacher water skiing. He's great!

It's lunchtime right now. I'm sitting in a café opposite our hotel.

I'm eating a cheeseburger and writing to you from the Internet café. I can't text you, because I'm having problems with my mobile phone. If you get time, send me an e-mail. I check my messages every day.

Now, I'm going back to the beach for the second part of the lesson.

Bye for now.

Kisses,

Maria
