Three students meet in Munich. Hans, from Germany, Frank from Switzerland and Peter from Austria. They know each other from university. Hans talks about his holiday in northern Germany. "I went to the station by bus. There I took a train to the North Sea. My parents live on an island that can only be reached by ferry. On the island I have rode a bike. Frank says "I like to travel to other countries. Last year I was in Spain. There I rented a car and travelled through the country. In some of the cities I have took a tram.
