

Listening and Speaking

1 Look at the pictures and read the questions. Talk to a partner.

Which of these things do you do? Why (not)? How often?

Why is it important for the environment to:

- plant trees?
- turn taps off?
- make an insect hotel?
- repair clothes and other things?
- recycle plastic?
- pick up litter?

2 Listen. Which name do you hear? 004

1 Alice / Alex	5 Pat / Paul
2 Bill / Jill	6 Mark / Matt
3 Sally / Sarah	7 Fred / Frank
4 May / Mary	8 Kim / Jim

3 You will hear a teacher talking to her class about helping the environment.

Listen and write the five names of the children. 005

4 What has each student done to help the planet? Listen again and write the correct name. 006

a plant trees	_____
b repair socks	_____
c repair T-shirts	_____
d put solar panels on roof	_____
e pick up litter	_____
f put plastic bottles in recycling bin	_____
g reuse plastic bottles	_____
h reuse plastic bags	_____

Exam Tip!

Remember that three of the activities will be in the text you hear, but they are not part of the answer.
