

## FORM 9. UNIT 4. LINKING WORDS

### I. Which of the linking words can be used to show “addition” and “contrast”?

And	in addition	although
however	moreover	as well as
from another point of view		besides
still	not only ... but	also
on the other hand		furthermore
but	though	what's more
in spite of this		
in spite of the fact that		

### II. Complete the sentences with the linking words from ex. I.

**Sometimes several variants are possible.**

I always read fashion magazines. I never miss any fashion show on TV.

Following the fashion can be exciting, becoming a fashion slave is ridiculous.

my friends say I have a sense of fashion I'm not always sure about what clothes suit me better.

Fashion makes people feel obsessed. It affects people and makes them spend a fortune on trendy items that lasts for a short time.

Trendy clothes help me feel more confident and make me the centre of attention. It takes a lot of time and effort to keep up with new styles.
