

## My Holiday Experience

Last summer, I went on holiday with my family. We decided to visit the seaside because we love the beach. We went to a small town near the sea, where we stayed in a nice hotel. The weather was perfect - sunny and warm every day.

In the mornings, we would have breakfast at the hotel, and then we went to the beach. I spent a lot of time swimming in the sea and building sandcastles. My younger sister liked collecting seashells. In the afternoon, we usually went for walks along the coast and took pictures of the beautiful views. Sometimes, we went to the local market to buy souvenirs and fresh fruit.

One of the best parts of the holiday was a boat trip we took. We sailed around the bay and saw many lovely islands. It was amazing! I saw some dolphins jumping out of the water, which made the trip even more exciting. In the evenings, we had dinner at a restaurant by the beach. The food was delicious, especially the seafood. After dinner, we often walked along the promenade and watched the sunset.

It was a great holiday, and I really enjoyed spending time with my family. I hope to visit the seaside again next summer.
