B Talmei Elazar, Israel

A relaxing massage at a spa is the perfect way to chill out and escape the overcrowded tourist zones. However, this spa in northern Israel employs unusual staff members to give the massages: snakes! The owner, Ada Barack, asks clients to lie on the massage table and then drops six snakes onto their backs! Visitors say they expect the snakes to feel wet, but in fact they are cool, dry and smooth. You may feel a little tense at the beginning, but you'll be leaving the spa feeling more relaxed than you have in a long time!

C Mount Haushan, China

Seeing the sights at the top of Mount Haushan in China is not for people who don't like heights! After climbing the hundreds of steep steps that are cut into the rock, visitors have to walk along the 'Changong Zhando'. This is the name given to the terrifying walk along two narrow pieces of wood on the side of the mountain which are only forty centimetres wide. There is just a seven-hundred-year-old chain handrail fixed into the rock to stop you from falling over two thousand metres to your death! You'll have lost a few kilos through exercise and worry by the time you reach the top!
