

I _____ you'd understand me
_____?
I don't wanna tiptoe, but I don't wanna hide
But I don't wanna feed this monstrous fire

And I'll be alright

We can't be friends
But I'd like to just pretend
You cling to your papers and pens
Wait until you like me again

Love, I'll wait for your love

Me and my truth, we sit in silence
Mm, baby girl, it's just me and you
'Cause I don't wanna argue, but I don't wanna
bite

_____, yeah, I think I'd rather die
You got me misunderstood
But at least _____

We can't be friends
But I'd like to just pretend
You cling to your _____
Wait until you like me again

Wait for your love
Love, I'll wait for your love
I'll wait for your love
Love, I'll wait for your love

I don't like how you paint me
Yet, I'm still here hanging

It's something _____
But I feel so seen in the night
So for now, it's only me
And maybe that's all I need

We can't be friends

You cling to your papers and pens
Wait until you like me again

Wait for your love
Love, I'll wait for your love
I'll wait for your love
Love, I'll wait for your love

I'll wait for your love(X5)
