

My fashion blog

17-year-old Jayden Spahn talks about her love of fashion.

I've loved clothes since I was about five. Each morning, I spend time thinking about what to wear. 1. _____. But I don't mind her telling that, I don't think it's something you can decide quickly. It's far too important.

Last year, after reading a fashion blog by Rachel, a 19-year-old student, I decided to start one myself. Almost immediately, I posted my first blog. 2. _____. They especially liked the video I made called A world of fashion.

I post something new each day. I keep a fashion diary, where I describe what I'm wearing, and every week I also post a photo of myself in my favourite clothes. 3. _____. But, for me, the best part is getting messages from fans.

My parents think it's good for me to have a hobby, and I still do all my homework, so they're happy for me to do the blog. 4. _____. They tell me not to worry if people post things that I don't agree with.

I'm not really interested in becoming a fashion model – I think I might get bored with someone taking my photograph every day! Maybe, when I'm older, I'll start my own clothes company, but before that I'm going to do a fashion course at college. I'm already trying to choose the best one!
