She finally (6) arrived /___/ at about 5 o'clock and (7) wanted /___/ to go straight home because she was so tired.

So, we (8) jumped /___/ in the car and I (9) dropped /___/ her off at her place then (10) headed /___/ to my flat in south London but when I (11) tried /___/ to find my house keys, they weren't in my pocket.

I (12) realized /___/ with horror that I must have left them in the airport bookshop when I was paying for my paper. So, I had to go all the way back to the airport but luckily someone had handed in my keys and I was able to collect them and come home again. It was a very, very long day.
