

1. Abby: "I believe traveling broadens one's perspective and enhances personal growth."

Brad: "I couldn't agree more! Experiencing different cultures and meeting new people can be truly transformative."

In this dialogue, Brad's response indicates:

2. "I believe taking breaks during work hours is essential for maintaining productivity."

B: "I _____, breaks can actually disrupt workflow and hinder productivity."

3. "I think we should organize a team-building activity to improve collaboration and morale."

B: "I _____. Engaging in team-building exercises can foster a stronger bond among team members."
