III.Look, read and write..

Hello, I'm Mary. This is my school; it is very big and beautiful. In our classroom, there are twenty tables and forty chairs. There are three posters on the wall, and they look so beautiful. The students learn many subjects such as math, art, English, and Vietnamese.... We have math on Tuesdays and English on Fridays. When we have art, we go to the art room. In the art room, we can draw and paint pictures. And there is a computer room too. I love my school. I am always happy when I go to school.

0. Mary's school is **beautiful** and it's very big.

1. There are lots of tables and

2. There are three beautiful posters on the

3. Mary learn in her school, such as math, and Vietnamese.

4. Students can draw and paint pictures in

5. I'mwhen I go to school.

The end!
