Hello, my name Carli Lloyd and I am American. Now I am living in Los Angeles. My favourite sport is football. I was five years old when I started to play football with my friends in a pitch next to my house. While I was still in high school, I played for W-League teams Central Jersey Splash in 1999. I loved my white and blue equipment. I was so proud when I wore it. I used a white and blue T-shirt, blue shorts, and white football boots. Football can be a dangerous game; you can suffer injuries. It's also very competitive and energetic. I practised football every Monday and Wednesday. Every Sunday I played football against another team. It was so exciting! My team was very good, and we often won. Now I play for the Sky-Blue FC, my number is ten and I love to score goals.
