My Favorite Hobby by Emma Johnson

Since I was a child, I have always loved drawing and painting. When I was ten, my parents bought me my first set of art supplies. I spent hours every day creating pictures of animals, trees, and my favorite places. My mother often said I should enter art competitions, but I was too shy to show my work to anyone else.

In high school, my art teacher, Mrs. Green, encouraged me to join the school art club. She said my work was very creative and unique. I was nervous at first, but I decided to give it a try. Joining the art club was the best decision I ever made. I met friends who also loved art, and we spent a lot of time learning from each other.

Last year, I entered my first art competition. To my surprise, I won second place! My parents were so proud of me, and I felt more confident about my work. Now, I enjoy painting landscapes the most. I also sell some of my paintings online to save money for new art supplies. My dream is to become a professional artist one day.
