Tomas from Vienna

Hi, I'm Tomas. I live in Vienna, Austria, with my parents and two sisters. I'm the youngest in the family, and I just turned 13 last month. My sisters are Martina, who is 16, and Betta, who is 19. Betta is the oldest, and she's very serious. She's always giving me advice or telling me what to do. I think it's because she feels responsible as the oldest sibling.

I go to a school close to where we live, and I really like it there. I have lots of friends, and studying isn't so bad for me. My favorite subject is Geography because it's the easiest for me. On the other hand, Maths is the hardest, and I struggle with it a lot. I also don't get along very well with my Maths teacher, which doesn't help. One thing I really love is sports, especially basketball. I play on the school basketball team, and I'm the tallest player. I usually do well during games, and basketball is the best part of my day. It makes me feel so happy. My coach even says I might be good enough to play professionally someday, which is really exciting!

On weekends, I like to hang out with my two best friends, Ralf and Kurt. We do almost everything together. They're like brothers to me and are the most important people in my life, aside from my family, of course. Spending time with them is always fun!

Passage 2: Read the passage and answer the following questions with NO MORE THAN THREE WORDS from the text.

Hi! I'm Johnny, and I'm eighteen years old. I live in England and want to share how my friends and I like to spend our free time. My two best friends are Tom and David. We're in the same class at school, so we spend a lot of time together.

When the weather is good, we enjoy being outside. We like to go for walks or ride our bikes around the neighborhood. All three of us are big sports fans, and we love playing football in the park. If it's raining, we head to the sports center instead. There, we usually play table tennis or go for a swim.

At home, I have plenty of hobbies to keep me busy. I enjoy listening to Pop music and reading books or magazines. Sometimes, I spend time surfing the Internet or playing computer games, though I don't do that all the time. Many people at my age are really into social media platforms like Facebook or Twitter. Personally, I think it's better to make real friends in person instead of focusing only on online connections.

In the evenings, I like to relax by watching TV. I often invite Tom and David over to hang out. We have dinner or a cup of tea together and sometimes play chess or card games. On weekends, we enjoy doing activities like hiking and camping. Every now and then, we also go to the cinema to watch horror movies, which are our favorite.

36. What do Johnny and his friends do in the park?
37. In which place do Johnny usually swim with his friends?
38. What kind of music does he usually listen to?
39. Who does he sometimes play card games with?
