

Can you talk about films?

budget a scene film set prop lines an extra lens
casting script a shot

1. The process of choosing an actor for a role in a film:
2. The money available to spend on a film:
3. The words that an actor has to remember:
4. The written text of a movie:
5. The location of where the film is supposed to be:
6. A part of a film where one piece of action happens:
7. Something that an actor uses or holds in a film:
8. The glass inside a camera:
9. One camera angle within a scene:
10. A person in a film that has no speaking part and is often part of a large group:
