In the UK children start school when they are five years old. The school they go on is called primary school. When they are eleven they go to secondary school. They attend school from monday to friday and they don't go to school on saturday and sunday. School usually starts at nine o'clock in the morning and ends at about three in the afternoon. Many children have lunch at school. Lunch is at 12.30. Some children go home for lunch and return to school in the afternoon.

1. What time does school start?
