After lunch, he and his friend go to a park nearby to skate around. They sometimes play the guitar or just have fun there. His mother picks him up at 6 o'clock and they go home. When he gets home, he does his homework and studies. He has dinner at 7 o'clock with his mother, his father and his brother. Then he brushes his teeth and takes a shower. He usually plays the guitar for a while and he loves the sound of it. Then it's computer time when he has a video chat with his friends. He goes to bed around 10:30 and falls asleep.
