A lucky encounter

Kristian Topeg started his career by writing material for washing powder (1) _____. Then, one day, when he was in the departure lounge at Berlin airport, he got talking to film (2) _____ Liam Swanson, who was on his way to an underground film festival in Berlin. By the time the plane arrived, the two had exchanged many stories. On board the plane, the in-flight entertainment was terrible. Kristian and Liam laughed at how (3) _____ the film was and how unconvincing the performances and the plot were. By the end of the flight, Kristian and Liam had decided to make a film together. They both loved a (4) _____ book they had read, called *Because we found each other* and decided it was the perfect story for a film (5) _____. The rest, as they say, is history. After the pair's success with *Because we found each other*, they then became famous for their romantic black comedy, *30 years later*...
