Hey Romana!

Just seen your message. I hope your first session went well! I'm not surprised you _____ new running shoes. They are important. I wonder if everyone _____ twice a week. That doesn't sound like much to me. I hope you _____ to more if you want to. I _____ a water bottle to my judo lessons but I usually forget! We have a group chat too. I found it useful to keep up with any changes to training schedules. Ask your mum if you can join. I _____ our one and found it useful. Maybe you _____ your training diary online. That's what we _____ to do. I'm sure they gave you a locker or maybe _____ everything to the track with you each time you train.

Let's meet up soon!

Kiran
