

## Listening

**6**  Listen to a conversation between a junior accountant and a senior accountant. Mark the following statements as true (T) or false (F).

- 1 ☐ The man maintains the accounting software.
- 2 ☐ The woman will not collect the source documents.
- 3 ☐ The department managers supply source documents weekly.

**7**  Listen again and complete the conversation.

Accountant 1: Do you have a 1 \_\_\_\_\_ Mr. Smith?

Accountant 2: Certainly, Nancy. What can I help you with?

Accountant 1: One question – how do I collect the 2 \_\_\_\_\_?

Accountant 2: Actually, you don't collect them.

Accountant 1: Really? How do I 3 \_\_\_\_\_?

Accountant 2: The 4 \_\_\_\_\_ managers give them to you at the end of every month.

Accountant 1: Ah, I see. And then I just 5 \_\_\_\_\_ the data in the accounting software?

Accountant 2: That's right. 6 \_\_\_\_\_ the data from the source documents in the accounting software.
