The image shows a screenshot of the Microsoft Paint application window. The title bar reads "Untitled - Paint". The menu bar includes "File", "Home", and "View". The ribbon is set to the "Home" tab, showing various drawing tools. A red dashed box highlights the "Tools" section of the ribbon, which includes the "Pencil" tool, "Eraser", "Brushes", "Shapes", "Text", "Fill", "Color", and "Edit" sections. Red arrows point from labels to specific tools: "Nét vẽ" (Drawing line) points to the Pencil tool, "Hình khối" (Shape) points to the Shapes tool, and "Thanh công cụ" (Toolbox) points to the entire ribbon area. On the right side, a label "Bảng màu" (Color palette) points to the Color section, and "Công cụ vẽ" (Drawing tool) points to the Shapes tool. In the center of the canvas, there is an orange rectangular label.
