

## Stop Crying Your Heart Out – Oasis

Hold up

You'll never \_\_\_\_\_ what's been and gone

Hold \_\_\_\_\_

'Cause all of the \_\_\_\_\_ are fading away

Don't be scared

Just try not to \_\_\_\_\_, you'll see them  
someday

You'll never \_\_\_\_\_ what's been and gone

Take what you \_\_\_\_\_, and be on your way

May your smile (may your smile)

And stop \_\_\_\_\_ your heart out

Shine on (shine on)

'Cause all of the \_\_\_\_\_ are fading away

Don't be scared (don't be scared)

Just try not to \_\_\_\_\_, you'll see them  
someday

Your destiny may keep you warm

Just take what you \_\_\_\_\_, and be on your  
way

'Cause all of the \_\_\_\_\_ are fading away

Just try not to \_\_\_\_\_, you'll see them  
someday

And stop \_\_\_\_\_ your heart out

Take what you \_\_\_\_\_, and be on your way

We're all of the \_\_\_\_\_, we're fading away

And stop \_\_\_\_\_ your heart out

Just try not to \_\_\_\_\_, you'll see us some day

Get up (get up)

Just take what you \_\_\_\_\_, and be on your  
way

Come on (come on)

And stop \_\_\_\_\_ your heart out

Why're you scared? (I'm not scared)
