# PEMBAHASAN

# KESIMPULAN

A template for a conclusion page. It features a large orange rectangular area. On the left side of this area is a white notepad with horizontal lines and a torn left edge. A black paperclip is attached to the right side of the notepad. The word 'KESIMPULAN' is written in red on a yellow sticky note pinned to the top of the orange area.

# LEMBAR PERTANYAAN

1. Bagaimana cara roket air ini bekerja, dan gaya apa saja yang mempengaruhi cara kerja roket?

.....

.....

2. Bagaimana cara kita dalam meluncurkan roket air?

.....

.....

3. Apa yang harus diperhatikan agar roket air tetap aman selama proses peluncuran?

.....

.....

4. Apa saja yang dapat diukur atau amati selama proses peluncuran roket air?

.....

.....
