

Please Please Please
SONG WORKSHEET

[Verse 1]

I know I have good 1_____, I know I have good 2_____
It's funny and it's 3_____ that only I feel that way
I promise 'em that you're different and everyone makes 4_____
But just don't
I heard that you're an 5_____, so act like a stand-up guy
Whatever devil's 6_____ you, don't let him out tonight
I tell them it's just your 7_____ and everyone rolls their eyes
Yeah, I know
All I'm 8_____, baby

[Chorus]

Please, please, please	
Don't prove	me, motherfucker, oh
And please,	please (Ah)
Don't bring me to tears when	please, please
Heartbreak is one thing,	I just did my makeup so nice
I beg you, don't embarrass	I'm right
Please, please,	my ego's another

[Verse 2]

Well, I have a 9_____ idea, babe, maybe just 10_____ inside
I know you're cravin' some 11_____ air, but the ceiling
12_____ is so nice
And we could live so 13_____ if no one knows that you're
14_____ me
I'm just 15_____, but really, really, really

[Chorus]

[Outro]

Don't do it in front of me
Please, please, please (Please)
If you don't wanna cry to my music
If you wanna go and be stupid
Don't make me hate you prolifically

How many times does she repeat "Please"?
