Hi Angela,

Marisol is one of my best friends, so of course I know her **very** well. She's 22, and she just graduated from college with a degree in economics, but she doesn't have a job yet, and I'm sure she would be interested in going to the US. Her parents are both doctors, and she has two younger brothers. She gets along very well with them, and they are a very close family.

Marisol's an intelligent girl and very hardworking. She can be **really** shy at first, but when she gets to know you she's **incredibly** friendly. She loves children - she often takes care of her brothers - so she has a lot of experience, and she's also very responsable.

In her free time she likes going to the movies, listening to music, and she's also very good at fotography - she always has her camera with her. She's **really** independant and happy to do things on her own, so you won't have to worry about taking her to places.

The only problem with Marisol is that she's **a little** forgetfull... she sometimes loses things, like her keys, or her phone.

Also, to be honest her English isn't great, but I'm sure she'll improve very quickly. I think Austin and Melissa will love her.

I hope this helps! Let me know if you need anything else.

Love,

Sofia
