

You will hear people talking in eight different situations.

For questions **1-8**, choose the best answer **A, B** or **C**.

- 1** You hear two friends talking about a TV series called *Teenage Cooks*.

What surprised the girl about the teenagers who appeared in the series?

- A** how much they seemed to enjoy the experience
- B** how quickly their cooking improved
- C** how original their recipes were

- 2** You hear a girl talking about a school sports day when students compete against each other.

What did she feel about the day?

- A** surprised that people did not take it seriously
- B** disappointed that she wasn't more involved
- C** pleased that it helped everyone to relax.

- 3** You hear two friends talking about a film they have just watched.

What do they agree about it?

- A** The plot was complicated.
- B** The young actors were talented.
- C** The film was hard to watch in places.

- 4** You hear a teacher talking to her students about some stories they have written.

What impressed her most about the stories?

- A** how well the characters were described
- B** how realistic the dialogue was
- C** how original they were

- 5** You hear two friends talking about a man who gave a talk at their school.

What do they agree about?

- A** He made them want to find out more about the subject.
- B** He was more interesting than they'd expected.
- C** He managed to get all his ideas across in a clear way.

- 6** You hear a girl talking about studying environmental studies as a school subject.

What is her attitude to it?

- A She's pleased that it isn't too difficult.
 - B She's aware that it's taught her to be responsible.
 - C She doubts that it's as useful as other science subjects.
- 7 You hear two friends talking about attending an event called 'World Sleep Day'.
How did they both feel about it?
- A doubtful about how useful it was for them
 - B surprised by some of the things they learned
 - C irritated by the behaviour of some people there
- 8 You hear a man talking about forming a partnership with a friend to make music.
What does he say about the experience?
- A They both wanted solo careers at first.
 - B They became close friends through their music.
 - C They recognised each other's talent as soon as they met.

You will hear five short extracts in which teenagers are talking about doing an art project at school..

Use the letters only once. There is one extra letter which you do not need to use.

- | | |
|--|-----------|
| A surprised by what they learned from the experience | Speaker 1 |
