

FREDDIE MERCURY

SINGER OF THE BAND QUEEN

What does he look like?

Freddie Mercury looked very unique and stylish. He had **short, dark, straight hair** and often wore a **mustache**, especially in the 1980s. His face was sharp, with **brown eyes** and a strong jawline. He liked wearing bold and **colorful clothes**, like tight pants, jackets, and shiny outfits.

On stage, he often held a microphone stand and moved with lots of energy. He had a big smile and an exciting presence that made people love watching him. His look was as special as his music!

How is he like?

Freddie Mercury was **funny** and full of energy. On stage, he was confident and exciting, always making the audience feel happy and amazed. He loved performing and was very good at singing and entertaining people.

Off stage, he was more **quiet** and **friendly**. He liked parties and taking care of his cats. Freddie was also very **kind** and generous, helping his friends and giving to charities.

He was born in 1946 in Zanzibar to Parsi-Indian parents. He died on November 24, 1991.

Queen's first greatest hits album sold over 25 million copies world wide.

He wasn't married and he didn't have children.

Mercury attended British boarding schools in India, he studied graphic art and design at Ealing Art College.
