SIMPLE PAST TENSE - BIOGRAPHY

ELEMENTS: A biography is a book that describes the life of a person, including their achievements and important events. Biographies can include many elements, such as:

1- **Name**: The subject's name
2- **Birth and death dates**: The subject's date and place of birth, and their date of death if applicable
3- **Education**: The subject's educational background
4- **Occupation**: The subject's professional experience and area of expertise
5- **Personal life**: The subject's relationships with family and friends, and how those relationships influenced their upbringing
6- **Achievements**: The subject's major achievements and how they impacted the world
7- **Life events**: Significant events in the subject's life, including major events in their childhood
When writing a biography, it's important to consider the audience and what areas of the subject's life they would likely want to know about.
8- **Fictional biography**: A biography where the subject is a fictional character, often created by the author
