Write down the 5 SMART Rules about being safe when using the Internet

Online Safety

Follow the **SMART** rules to help stay safe online.

Safe

Stay **safe** online by not sharing your personal information.

Meet

Do not **meet** anyone who you have only become friends with online.

Accept

Do not **accept** messages and friend requests from people you do not know.

Reliable

Not everything online is **reliable**. People online are strangers and you can't always trust everything they say.

Tell

Tell an adult you trust if anything happens online that you do not like.

Be careful what you share online!

Stop and think before you share information online.
Don't say or do anything that you wouldn't do in the real world!
