Customer: Hi there, two tickets __ Rome, please.

Clerk: No problem. We have a red train _____ at 13:10, and white train at 13:30. The first one is a slower train, and the second is a _____ train.

Customer: How much does each cost?

Clerk: The slower train is _____, and the bullet is 33 €.

Customer: I think I'll _____ the bullet train. I'm in a hurry. Two _____ for the 13:30 train.

Clerk: No problem, here are your tickets.

Customer: Thank you. Is the train _____?

Clerk: Correct, there are no stops on the way to Rome.
