The people below all want to go shopping. There are eight descriptions of shops. Decide which shop would be the most suitable for the people below.

1 Jim wants to buy some new shoes for work. He needs something reasonably cheap and, as he's working long hours, he needs a shop that is open late during the week.

2 Hamid wants a shop where he can get measured for a new suit. He is happy to spend quite a lot but wants a place that has been recommended by other customers.

3 Sheila wants to go shopping after she finishes work. She wants to buy an inexpensive dress or a skirt and would like to eat something made locally before her train leaves.

4 Natalie is looking for a gift for her daughter who has passed her exams. She'd like to buy her something for university and wants to avoid the busy shopping centre.

5 Manuela is on holiday in the UK and is looking for some chocolate for her friend. She would also like to buy something to read when she gets back to her hotel.
