

DYADIA'S

LORE

1 - READ AND COMPLETE WITH ONE WORD

When she _____ (1) born, a prophecy stated that she was a bringer of misfortune, destined to _____ (2) alone. Wherever the lonely girl wandered, she would be met with scornful gazes. _____ (3) time, her zeal faded into despair, and she closed herself off from everyone else. Things only changed when the jovial Qi saved _____ (4) and brought her to the Forest Temple, providing her with companionship and giving her a name of her _____ (5). Unfortunately, the Wilting left her home in ruins and her companion dead, and Dyadia was forced to move on, carrying the promise they once shared

Today, she's the _____ (6) popular mystic in the whole of Misty Marshes. Her ability to observe how the Flow affects people's bonds borders on the divine. Her predictions never miss, and can even serve as catalysts to bring people together. However, unbeknownst to the public, Dyadia does _____ (7) trust the Flow to provide all the answers. In fact, to a great degree, _____ (8) relies on her own observations of her subjects' hearts. The Mansion of Fate is almost always busy collecting information, observing their clients' desires _____ (9) intentions, crafting predictions, and arranging encounters. Dyadia realized early on that relationships are made possible not because of a higher power, _____ (10) rather due to people's own desires

In the dead of the night, Dyadia continues to pen down her predictions for tomorrow's seekers _____ (11) fates.

Unbeknownst to her, her own fortune _____ (12) been penned down: "The Marsh of Amnesia keeps memories suspended. A broken bond may yet be mended."
