

**Instructions:**

1. Read the story below. There are 12 mistakes with prefixes (dis-, un-, re-, pre-, anti-).
2. Find and fix the mistakes. Write the correct words.
3. Answer the multiple-choice questions at the end.

**Tom's Busy Day (with mistakes)**

Tom woke up feeling dishappy because he had an important test. He had planned to study the night before, but he was too tired and unfinish his homework. Now, he felt unprepare for the test.

When he turned on his computer to check his notes, he saw that the internet was disconnect. He tried to redoing an old assignment while waiting, but the Wi-Fi was still not working. His little brother, Sam, had unplug the router! Tom had to restarting it and wait again.

At school, his teacher gave a pretest before the real test. Tom disliked tests because they made him nervous. He answered the questions quickly, but later realized he had made many mistakes. The teacher asked him to rewriting two answers.

During lunch, Tom wanted to buy a soda, but the vending machine was disworking. He was annoyed but decided to drink water instead. His friend Mia told him that too much soda was antigood for his health.

After school, Tom was excited to play a video game, but his console was uncharge. He searched for his charger but couldn't find it. His sister told him to uncover the mess on his desk. Finally, he found it under some books!

That evening, Tom and his sister wanted to order pizza. They saw an antipromotion on TV warning about eating too much fast food. They thought for a moment and decided to eat something healthier. They made a salad together and watched a previewing of a new movie. Tom felt much better after eating well and relaxing.

Before going to bed, Tom thought about his day. He realized that even though things went wrong, he had solved his problems. Next time, he would try to preplan better.
