Apple

SONG WORKSHEET

## [Verse 1]

I wanna throw the apple into the sky  
To the airport, the airport  
The airport, the airport  
I guess the apple don't fall far from the tree  
So I just wanna drive  
Now I only see me  
'Cause I've been looking at you so long  
Feels like you never understand me

## [Verse 2]

I guess the apple could turn 1.\_\_\_\_\_ or green  
I know there's lots of 2.\_\_\_\_\_ nuances  
To you and to me  
I wanna grow the apple, 3.\_\_\_\_\_ all the seeds  
But I can't help but get so 4.\_\_\_\_\_  
You don't 5.\_\_\_\_\_, I leave  
To the airport, the 6.\_\_\_\_\_  
The airport, the airport  
The airport, the airport  
The airport, the airport

## [Interlude]

(Yeah, yeah)

I'm gonna drive, gonna drive all 7.\_\_\_\_\_

I'm gonna drive, gonna drive all 8.\_\_\_\_\_

I think the apple's 9.\_\_\_\_\_ right to the core

From all the things passed 10.\_\_\_\_\_

From all the apples coming 11.\_\_\_\_\_

I split the apple 12.\_\_\_\_\_ symmetrical lines

And what I find is kinda 13.\_\_\_\_\_

Makes me just wanna 14.\_\_\_\_\_

(Drive, drive, drive, dr-dr-dr-drive, drive, drive)

(I'm gonna drive, gonna drive all night)

(I'm gonna drive, gonna drive all night)

(Drive, drive, drive, dr-dr-dr-drive, drive)

## [Outro]

I wanna know 15\_\_\_\_\_ you go

When you're feeling 16.\_\_\_\_\_

When you're feeling 17.\_\_\_\_\_, do you?

X2

How many times does she say “do you” in this part?
