.....  
.....  
.....  
.....  
.....  
.....

### 2. Choose the correct words for each definition.

Something built to help people or vehicles cross over water or another road.

**a bridge / a roundabout**

An area with swings, slides, and other equipment for kids.

**a playground / a street**

A circular road structure that helps control traffic flow.

**a roundabout / traffic lights**

A road where people live, walk, or drive, often with buildings along it.

**a bus stop / a street**

A designated place where buses pick up and drop off passengers.

**a bus stop / a bridge**

A set of colored signals that tell vehicles when to stop, wait, or move.

**playground / traffic lights**

### 3. Match the words to the definitions.
