

Thay đổi kiểu chữ

Kích thước cỡ chữ

Kiểu chữ in đậm

Màu chữ

The image shows a screenshot of a text formatting toolbar with four labels pointing to specific features:

- Thay đổi kiểu chữ** (Change font style) points to the font name dropdown menu showing "Times New Roman".
- Kích thước cỡ chữ** (Font size) points to the font size input field showing "28".
- Kiểu chữ in đậm** (Bold font style) points to the bold button (B).
- Màu chữ** (Text color) points to the text color button (A with a red underline).

The toolbar also includes buttons for italic (I), underline (U), text color (abc), subscript (x₂), superscript (x²), and a text background color button (A with a red background).
