Subject: Test results

Hi Anna,

Thanks for your email. Did you get your test results? I got mine yesterday. Good news! I got the best result in our class on the biology test. I also got an A plus on my math test and an A minus on my chemistry test. I was really surprised because I even got a good grade on my English test.

Mom is delighted with my results. She says she's going to take me shopping because I did so well. She wants to buy me some new clothes, but what I really want is a new laptop. That would be really cool. How did you do in your tests? Let me know.

See you soon,

Julie
