

Into the wild!

Read the poster and answer the following questions about some wild animals:

1. How many hours a day does a lion spend resting?

2. Is the tiger's roar more powerful than the lion's?

3. What can an elephant do with its trunk?

4. When do bears hibernate?

Are these sentences true or false?

5. Both male and female lions have a mane

6. Every tiger has unique stripes patterns, which makes them all look different

7. The elephant's nose is the smallest one of the animal kingdom.

8. The tiny sun bear is as big as a small car
