Mike: me too! I'm going to order a starter first. I think for the starter I will have a small salad.

Mike: I think that I'll also have the chocolate cake, good choice Jane. What pudding will you have Ellie?

Jane: I would prefer the soup for my starter. I don't like salad. And what about drinks? I think I'll just order water.

Waiter: May I take your order? ...

Jane: I'll order the chicken curry because Indian food is my favourite. But I can't wait for pudding, that's my favourite part of the meal! I'm having the chocolate cake.

Mike: I would also like a lemonade. For my main meal I'd love to try the steak and eggs with chips. I'm really in the mood for that!

Ellie: good idea Mike. I would also like a salad for my starter. What about you Jane?

Ellie: I think I'll have a fish pie, I've heard it's the best meal here. And it's a healthy meal. And you Jane?

Ellie: I'm going to order lemonade. What are you going to drink Mike?

Ellie: I like chocolate cake but I love fruitcake even more so I'll order the fruitcake.

Jane: What do you want to eat, guys? I'm really hungry
