

6 Writing an admission summary

Example Summary

Patient admission information

Family history: Asthma and allergies

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. On the right side, there are some faint, small markings that appear to be page numbers or indicators, such as "27" near the top and "10" further down. The paper is otherwise blank, with no text or other markings.
