All right, I need to go to the supermarket today. Let me check my shopping list so I don't forget anything.
First, I need a (1) _____ water because I always like to have extra at home. I also want to buy a can of (2)_____—maybe two, in case I have guests. And for breakfast, I definitely need a (3)_____ milk. I might also get (4)_____ cheese.
Now, I have to get some basics for cooking. I need some (5)_____ for my coffee and (6)_____ .
Speaking of cooking, I should also get (7)_____ oil—I completely forgot to buy it last time! And, of course, I can't forget (8)_____. Mornings are impossible without it.
For fruits and vegetables, I need (9)___ apple and (10))_____ . I also want (11)___ tomato because I'm planning to make a salad, and I need (12)_____ for that, too. Maybe I should get a few more vegetables, just in case I decide to cook something different this week.
Alright, I think that's everything on my list.
Time to go shopping!
