

Little Things – Matt Gorman

Instructions: The first line is in the correct place. The rest of the lyrics are scrambled. Read carefully and number them in the correct order.

1. Yes sir, no ma'am

- ___ Hold onto that moment cause you know that you
- ___ Take a walk down memory lane
- ___ Looking up now you're on full throttle
- ___ The little things in life that mean the most
- ___ Walk through hell and not around
- ___ Every night hit your knees
- ___ How you leave a place better than you found it
- ___ Not where you're from, what ya got or what you don't
- ___ Make a phone call or two
- ___ Take her hand slow it down
- ___ Just know the answers aren't at the bottom of a bottle
- ___ Have her home right around ten
- ___ Skippin' rocks an castin' cane
- ___ Use the words I love you
- ___ Learn more when you're at the bottom
- ___ Pray to God she climbs back in again
- ___ Open arms folded hands
- ___ Drive her right through your town
- ___ Holdin' doors saying please
- ___ When she's walkin' down the aisle
- ___ Look her in the eye when she says I do
- ___ Where you should keep your mind
- ___ All dressed in white
- ___ It's the little things in life that make you who you are
- ___ Ridin' right down an old backroad
- ___ The things we take for granted like the story behind that scar
- ___ What's in front and not behind
- ___ Little things they make you grow
- ___ It's who you are inside and what you do
- ___ For everyone else not just you
