

Would I Be In Jail?

What would our lives be like without our civil rights?

Some countries do not have the same civil rights as we do.
For example, in Afghanistan, women can be arrested if they try
to rent a place to live without a man's permission.

arrested = stopped by police and taken to jail

Imagine we do not have civil rights.
Have you done something in the past that would send you to jail?
For example, I am a woman, and I have rented a home.

If we did not have the right to housing,
I **would** have been arrested for renting my house.

would have been = imagine this happened in the past
