In a small workshop, tools are kept in specific places to ensure efficiency. A red toolbox is sitting on the workbench, with wrenches and screwdrivers neatly arranged inside. A hammer is hanging from a hook on the pegboard. Nearby, a level is leaning against the wall, and a pair of pliers rests on the shelf next to a tape measure. Under the shelf, a box of screws is stored beside a set of hex keys. A hand saw lies across the corner of the workbench. Sanding blocks are stacked on top of each other inside a drawer. Meanwhile, a cordless drill is charging **on** the wall-mounted charging station. Finally, clamps are hanging below the pegboard.
